

MUSTANG TRIVIAL PURSUIT GAME

Submit a mustang related trivia question and you will receive 5 points. Your question will be posted in the newsletter and answers will be collected at the next general meeting. If a member has the correct answer, they will receive 5 points.

If your questions stumps the GHMC members, you will receive 10 points!!

This month's question is submitted: by Bob Averbock

How many Ford Mustangs by model year and type did Ford SVT Special Vehicle Team create that are and were available purchase from Ford Motor Company?

MAIN STREET REUNION

By Bill Banovitz

The Grape Crushing Man greeted some classic cars of the Golden Hills Mustang Club on a cool and foggy morning. We certainly turned a few heads as we traveled from the Grape Crusher to the Main Street

reunion.

6 Mustangs, a '55 Chevy Pick-Up & a '57 T-bird anchoring the end of the GHMC Display. The Warnocks '68 Mustang looked great with a stuffed Pony that scared a lady, she thought it was dog climbing out of the window. Scott Kuhn's '65 got a lot of attention. Jim Perry's '66 convertible shined. Robin Paulsell's '64 1/2 was decked out for the show as well as Jim Belt's '69 Mach 1. Bill Davis'

'64 1/2 looked great with the baby Giraffe as his mascot. Monica Paulsell's fabulous '55 Chevy Pick-Up was a nice addition to the display. The Bano's '57 T-Bird got a few looks. Cat remembered the drive-in tray and fake burger & onion rings. I got the idea to put a real hot dog on the tray as well. We all had a lot of laughs watching people trying to figure out what was real and what was fake. A few club members came by to say "HI" and hang out for awhile. Dan McCabe and Kirk Stafford, who are members of the Napa Valley Cruisers, were manning the late registration booth.

There were almost 300 vehicles on display and a lot of shops & vendors for our shopping pleasure. It took most of the morning to see all the rows of vehicles, so most of us were content to sit back and talk with people, who came by our vehicles, for the rest of the afternoon.

We have to admit this was another great car show in Napa. Certainly hope they can work things out and do it again next year.

-continued from pg. 1

The hotel was pretty crowded so we decided to go have dinner somewhere else. We had dinner at the Rusty Moose which was next door to our hotel. After dinner we all took a dip in the spa and pool. Oh did I say dip or was that a swan dive I did, but I did not get my hair wet.

Saturday was Show Time. Up early and preparing for the big show. 428 pre registered 528 day of show, that's a lot of cars to look at.

It was a cool morning, 47 degrees; it did warm up to 82.

Terry and Kirk took off to check out all the cars. Pat and I stayed with the car for a while and eventually we took off to check out the hotel with my cousin's wife Helen. Met up with the guys at noon and had lunch together. After show was over we headed back to our hotel. Pat, Kirk and I took off for town while Terry stayed at the hotel and watched a movie. We had dinner at hotel.

Sunday we were up early and had breakfast at old

European cafe in Post Falls Idaho. IDAHO you say.... yes we are on our way to visit Lynsey Burkeholder's parents who live in Bonner Ferry, Idaho about 30 miles from the Canadian border. It is beautiful country. Karen showed us around taking us to the rim to see the view.

After our walk we dined on smoked ribs, (James made a special pasta dish for Pat) mmmm it was so good. Thanks to James and Karen for a wonderful lunch. Wish we could have spent more

time visiting, but we had to head back to Spokane for the banquet.

Banquet was interesting with 600 attending and it was crowded. The food was good but not much left since we were the second to last to get fed. They played games and did allot of entertaining before everyone was eating. There were 4 huge screens with pictures of the cars that won. Wouldn't you know it when my name was announced and the picture came up I missed it. YES our 2011 won honorable mention. I never heard of that before, but HEY I WON and the plaque is beautiful etched black glass. I also won the center piece on the table, must have been my lucky night.

Back to the hotel since tomorrow morning we will say good bye to all our friends and family with hopes of seeing them again at the next IMM in Winnipeg Canada.

Our trip back to Bend was great. We stopped in the town of Shaniko and had a sarsaparilla at the book store. There is some very interesting history in this lil town. Kirk saw a very old hotel for sale that really interested him. Arriving in Bend it was raining and with all the dust on our cars you can imagine what they looked like with the bugs on the front. We went to dinner at Johnny Carinos, then back to the hotel for a dip in the spa since the rain stopped.

We got up early for the trip back home, arriving at 3pm in Fairfield.

Thank you to Pat Sivigliano and Kirk Stafford for going with us to the IMM this year. It was a lot of fun and those of you who did not attend you really missed out on a great time.

We hope you will consider joining us on our next run to the IMM Winnipeg Canada 2012, 2013 in Bozeman Mt, 2014 Vancouver Canada, 2015 Missoula MT.

Hot Rod Week August 22-28, 2011

The Goodguys West Coast Nationals Hot Rod Week consists of 4 days of tours followed by 3 days of car shows. This was my second time attending and I was joined by as many as 180 other classic cars, hot rods, and modern muscle. Day one was a trip to the Peninsula to see The Hiller Aviation Museum, Roy Brizio Street Rods, and finally Sanderson Headers. I drove a total of 154 miles in my 64 Galaxie and even picked up 2 passengers from British Columbia at the start, Don rode with me last year and this year he brought his friend Jack. They leave their classics at home and fly in for all the fun, the great part about Hot rod Week is all the wonderful people you get to meet.

Day two was the Sacramento Area and I drove my Mustang direct to Blue Collar Customs where I met up with the tour, then on to American Pastime/Rods R' Us for stop #2, Gearhead Garage was stop #3, and finally Roseville Rod & Custom. I drove a total of 220 miles in my 64 1/2 Mustang and enjoyed every one of them, I even met Randy with his 65 Mustang coupe he drove down from British Columbia Canada.

Day three was to the south bay and I drove my 64 Fairlane 500 Ranch Wagon 160 miles. We stopped at Gambino Kustoms, Dennis Varni's Car Collection, Dick DeLuna's Car Collection, and Sparky's Hot Rod Garage. We saw some fantastic customs, race cars, and memorabilia.

Day four started in Pleasanton and I showed up with my Dually and 5th Wheel Camper, I was planning on setting up camp first and then meeting the tour at stop #2 with my show cars for the weekend. I arrived at stop #2 Andy's Tees in Concord just as the main group was leaving; fortunately they left some food for me and a few other stragglers. Andy's not only fed the tour, they gave everyone a free T-shirt and hat. I was able to watch them sew their logo on my hat, very cool. As I left to head for Pleasanton I bumped into a pair of hotrods from Phoenix that were having car trouble, they need jumper cables as one of the cars wouldn't start. I was happy to oblige so I pulled my big Diesel Ford Cabover next to them and had them going in no time. I drove a total of 160 miles this day.

Friday day 5 through Sunday day 7 was the car show at the Pleasanton Fairgrounds. This year I displayed my Mustang on the flatbed of my Classic Ford Cabover and we took our 64 International Travelette (Zebra Truck). There were over 3000 cars at the show, dozens of vendors, a car corral, and a swap meet.

The vintage Cushman scooters and the miniature engines were on display again this year. Revell sponsored a model car make and take for kids as well as model building and pedal car contests. Paige entered her Guardsman Blue 64 1/2 Mustang pedal car and won an award for restored pedal car. We had a lot of fun, saw friends from last year, met new friends, and saw many awesome cars. Without a doubt I will be back next year, I hope more GHMC members can join me!

LEDGEWOOD NIGHTS

BY CAT BANOVITZ

On August 28, 2011, Kirk, Brian Evans, Rick & Lydia met Bano & J at the Fairfield Safeway parking area, together we caravanned to the LedgeWood winery in the Suisun Valley for their 2nd annual car display. Later in the morning we were joined by Danny & Cristy.

Upon arriving at the winery we were met by the event coordinator & instructed to park next to the vineyard. Our mustangs & Bano's Ford GT were among some beautifully restored classic fords, Chevys, Oldsmobiles & Jeeps. A local classic rock band "the show" provided the day's music. In addition to the complimentary wine tasting, the winery gave a bottle of wine to all who registered for the show. Food & wine by the glass was also available for purchase. The proceeds benefitted the F.A.S.T. Lions club of Fairfield.

We enjoyed spending the day meeting & talking with a lot of car enthusiasts & a potential new club member. LedgeWood winery was a wonderful, generous host. We are looking forward to next year.

All Mustang Picnic

by Kirk Stafford

The Golden Hills Mustang Club hosted the All Mustang Picnic on Saturday, September 17, 2011 at John Arlington Park in Vacaville. The Sacramento Area Mustang Club and Sierra Mustang Club joined us for a day of good food, great fun and wonderful company. We fed about 85 attendees at this year's picnic, including 48 GHMC members. The raffle and 50/50 were very profitable and the proceeds will be divided equally between St. Vincent de Paul and St. Marks Lutheran Church, the two food banks we support

with our food drive donations. Woody and Roz Graham, long time past members, attended the picnic. It was nice to finally meet the two of them after hearing so much about them, all good. It was also great to see Kathy and Dick Pickering. Kathy seems to be doing very well on her long road to recovery. We also celebrated Frank Lopez's 71st birthday by singing Happy Birthday to him. I want to thank Ileine Burke for co-chairing the picnic; Dan Cordeiro and Bill Banovitz for cooking; Cat Banovitz for running the raffle and Bob Loya for selling 50/50 tickets. Also I want to thank all who helped out at the picnic and the clean-up afterward. A good time was had by all!

Mustang Night at the Vacaville Fosters Freeze

by Mustang Sally

Well, there sure was a great turnout for Mustang Night at the Vacaville Fosters Freeze. So good, in fact, we almost had no place to park! When I said to show up early, I didn't realize it should have been around 4 pm. But we managed to find room for everyone as they arrived. Those who registered their Mustang received a free small ice cream cone (Yummy)! There was much more than just Mustangs on display that night, so there were lots of cool cars to check out. It was nice to have some new members join us, too. Thanks to Robin, Kirk, Ileine, Cliff & Heidi, Peter & Lisa, Sue, Bill & Dion, Pat & Frank, and new members Raul Peralez, The Sawyers, and Peg Sullivan for being there. And a special thank you to those who remembered to bring food donations!
