

SUPPORT HORNET RACING AT SACRAMENTO STATE

SUPPORTING HORNET RACING

Individuals and companies can support Hornet Racing at Sacramento State with a gift to the University Foundation at Sacramento State (UFSS) to the SAE Student Chapter (Account X0346). Led by a volunteer Board of Directors, the Foundation is Sacramento State's primary philanthropic auxiliary and is a tax-exempt 501(c)(3).

All donations to Sacramento State are assessed a one-time gift fee of 3% which offsets costs associated with financial management of accounts, conducting an annual audit, reporting, etc. Donors can cover this gift fee with an additional donation if they choose. Below are a few of the way's benefactors can support Hornet Racing at Sacramento State.

Mail in Support: Checks should be made payable to **The University Foundation at Sacramento State** and include **X0346** in the memo line. All gifts made by check will receive a gift acknowledgement letter for tax purposes once the gift is received.

Please mail to: California State University, Sacramento
Office of University Advancement
6000 J Street, MS 6030
Sacramento, CA 95819-6030

Online Giving: Using the [online giving link here](#), donors can make a one-time or recurring gift by selecting 'Mechanical Engineering' and placing 'SAE Student Chapter - X0346' in the 'Gift Instructions' section at the bottom the online form.

Please note that when making a gift online, your confirmation email will serve as your gift receipt.

Gifts of Stocks, Securities, through a Retirement Account or Estate Giving: For donors who are interested in support the SAE Student Chapter through a gift of an appreciated asset, retirement account or their estate, please contact the Director of Development for the College of Engineering and Computer Science listed at the bottom of this document.

Gifts in Kind: Support through a gift of supplies or materials is a popular avenue of support for the team. Please contact the Director of Development for the College of Engineering and Computer Science with the name of the item(s) to be donated, quantity, applicable part or serial number(s) and approximate value.
